

**Global Entrepreneurship Week is the first worldwide celebration of enterprise aiming to unleash people's ideas to make a profit and address society's biggest issues**

## Get involved!

### Speednetwork the Globe

- Join a global movement of speednetworkers!
- Speednetworking is a fun and high energy way connect young people around the world - fast.
- It's easy to do, free and can last 10 minutes or a whole hour.
- Join people all over the world to start talking ideas.

### Unleash It!

- Unleash It! is an online ideas bank that connects organisations and individuals
- Upload a challenge and watch young people around the world use their collective brainpower to work on a solution.
- Log on and unleash your own ideas - you might win a prize and help build something new.

### Inform your contacts

- Global Entrepreneurship Week is happening in over 75 countries this year
- Tell your networks about it; encourage them to get involved with activities; contact your national host.
- Find your country on [www.unleashingideas.org](http://www.unleashingideas.org)

### Be a guest blogger

- Report back on the activities in your country using the latest social media software.
- Check out our blog on [www.unleashingideas.org/blog](http://www.unleashingideas.org/blog)
